

Student Assistant Wanted: Data Collection & Organization

We are looking for a motivated student assistant to help with data collection and organization. This role primarily involves working with company financial statement data, rating data, and similar datasets.

Responsibilities

- Collect data from a platform and other online sources
- Organize and structure datasets, ensuring accuracy and completeness
- Work with company financials, ratings, and related data

Requirements

- Strong proficiency in Excel (advanced skills are a plus)
- Familiarity with Python or R is a plus
- Ability to start soon and commit to 40-60 hours of work

If you're detail-oriented, comfortable with data management, and able to start immediately, we'd love to hear from you! Please send your CV and a brief cover letter to SEKRETARIAT@FINANCE.UNI-FREIBURG.DE.
